Subject: Riverts Edge #2, subdivision. Meeting 1/22/09, 9:00 am

Ravalli County Commissioners;

This letter affirms our previously stated position at the last Commissioners meeting on this subject of 12/08/08.

We have heard nothing from **FLYHIGH DEVELOPERS CORP.** (The RE 2 developers) regards the concerns of the residents of RE 1 subdivision in regards to their plan to access their new development (RE 2) over our **PRIVATE ROADS AND RIGHT-OF-WAYS.**

Nothing has changed on this issue since the last meeting, Flyinghigh Developers Corp. **DO NOT** at this time have access over the roads in Rivers Edge #1 for reasons previously stated.

Sincerely, Ray & Jane Karr
